FOR IMMEDIATE RELEASE

Engines Plus to Showcase Cutting-Edge Marine Technology at Southampton Boat Show 2024: Hyundai Seasall R200 Drive and Solé Advance Rebrand

Engines Plus, the premier distributor of marine engines and generators in the UK, is excited to announce its participation in the Southampton Boat Show 2024, running from 13th to 22nd September. Attendees can visit the [Engines Plus](#) at Stand E008 to explore the latest advancements in marine technology and discuss their vessel needs with an expert team.

A highlight of this year's show will be the introduction of the Hyundai Seasall R200 Drive. This state-of-the-art engine offers the perfect adaptation kit to seamlessly upgrade your old Volvo Penta D3 boat, combining ease of installation with exceptional reliability. Boating enthusiasts can expect to see firsthand how the Hyundai Seasall R200 Drive really can rejuvenate their marine adventures.

The Engines Plus stand will be a hub of innovation, featuring an extensive range of the latest marine engines and generators, including products from the acclaimed Solé Advance and Hyundai Seasall brands, among others. Visitors will have the opportunity to engage with the friendly team of specialists, who are ready to provide insights and advice tailored to individual boating requirements.

"We are thrilled to bring our latest offerings to the Southampton Boat Show," commented Hedley Beavis, Managing Director at Engines Plus. "The Hyundai Seasall R200 Drive represents our dedication to advancing marine technology and providing our customers with top-tier solutions to enhance their boating experience."

In addition to showcasing the Hyundai Seasall R200 Drive, Engines Plus will highlight the recent rebrand of Solé Diesel to Solé Advance. This rebranding reflects the company's ongoing commitment to showcasing innovation and excellence in marine engineering, building on its rich heritage, while looking forward to the future. The new brand, Solé Advance, signifies a step forward in providing advanced marine solutions with the same reliability and quality that customers have come to trust.

Attendees have the unique chance to explore these cutting-edge products from Engines Plus and gain valuable knowledge from industry professionals. Visit Stand E008 at the Southampton Boat Show 2024 to discover how marine adventures can become even better!
